

DECORATE A TREE IN THE PARK

The Big Lake Chamber of Commerce & Visitor Center would like to invite you to decorate an existing tree at Reagan County North Park for the 2023 Christmas Holiday Season. The Chamber will be hosting "Christmas in the Park" on Wednesday, December 6, 2023. We would like to have these trees decorated with lights, ornaments, or wreaths. You can purchase solar or battery powered lights at several discounted locations. You may decorate however you would like. You are welcome to use your business logo and of course, we would like a sign placed beside your tree with your name or business name. Families are also invited to participate. The Chamber would like the trees to be decorated the week of November 29 through December 5. They can remain decorated throughout the holiday season. If you decorate a tree you MUST plan on taking your decorations down by January 8, 2023.

Please register by calling the Chamber of Commerce office at 325-884-2980 and get your tree reserved as soon as possible. The deadline to register for a tree will be Friday, November 17, 2023. It will be a first come first serve basis! Let's light up and make Big Lake beautiful in this Christmas Season.

*Sincerely,
Loretta Epperson*
